

Carefully read the disclaimer:

NORDBIT KYC certificates should not be used as a recommendation or endorsement of this particular person or project!

NORDBIT KYC makes no statements or warranties on the safety and security of the project.

It also cannot be considered as enough assessment regarding the utility and safety of the project or its rug-free status.

While NORDBIT performs multiple ID and project legitimacy checks, it is essential to note that you should not rely on the certificate alone, always do your research, as, at any time, circumstances can change. NORDBIT do not control the changes after the KYC interview is completed and the certificate is issued.

The information provided in this document does not constitute investment advice, financial advice, trading advice, or any other advice. You should not treat any of the document's content as such.

Do your due diligence and consult your financial advisor before making investment decisions.
